

ObesityWeek® Interactive 2020

Email Transmission Checklist

- Request available blast date [here](#)
- Upload copy of message for approval [here](#)
- Create message in the following format(s).
 - HTML: (.html file format). All images must be hosted.
 - Plain text version: no dynamic links (they should all be spelled out), no images or special characters. (.txt file format)
- Create subject line (keep it 33-44 characters)
- Gather test and send email addresses (short list of emails for people you want to see the test and be included on the final blast.
- Complete and submit order form. *Please send one week before your blast date to allow for testing. View Order cutoff dates here.*

Once we receive your order, we will confirm receipt and touch base to go over everything before testing begins. All orders include up to two tests. Additional charges will apply for each test after the first 2. We will bring this to your attention before any charges are incurred.

If you require assistance with creative services or image hosting, let us know and we will send you a quote based on your requirements.

**** NOTE: The following disclaimer should be displayed on both text and HTML versions:**
